Summer reading Kick Off - Wednesday, June 14 at 4pm, Come and sing, clap, shake and boogie with Stacey Peasley. We'll be outside so the whole neighborhood will be alive with music. Bring a picnic supper to eat after the concert. As always, it's best if you bring a blanket to outdoor performances. Spread some kindness by offering to share yours with old friends or new.

Join us for a summer filled with reading. Sign up for the reading program and get a book bag. Then read lots of books and record them on the Build a Better World Reading Log. After you've read 6 books, bring the sheet into the Bacon Free library as your entry to win one of the loaded prize bags. You'll also receive a special treat and another sheet to record more reading. There's no limit to the number of entries. Only one grand prize winner per family though.

Each week we will bring out a different construction set to help you build a better world. Look on the calendar for what will be showcased each week.

Summer Reading will come to a close on Tuesday September 5 at 4:00. The last activity is a Make and Take. We will have all the supplies needed to make flying kites. That will also be the last day to get in your raffle tickets for the grand prize book bags drawing as winners will be chosen after this activity. You do not need to be present to win. Although Summer Reading program will be over that's not a reason to stop reading. Check the Bacon Free Website for activities all year round and keep checking out those books!

- * Please check our website for the latest information.
- * Many programs will be held outside, so bring a picnic blanket.
